

Announcing expanded bus service to Northfield Stapleton on RTD's Route 43 for trips to work, shopping, dining and entertainment.

Starting May 6, 2007, **Route 43-MLK Blvd/Gateway** will provide expanded bus service to the Northfield Stapleton area in addition to locations in Aurora, Montbello, East Denver and Five Points.

Convenient service for work and play

Route 43 operates seven days a week with frequent service throughout the day, including morning and afternoon rush hours.

Easy connections to light rail and other bus routes

You can take Route 43 to the 30th & Downing Light Rail Station, then catch the D Line to Downtown Denver. From there, you can connect with light rail lines serving the Central Platte Valley, Littleton, Aurora, the Denver Tech Center and more.

Route 43 also connects with skyRide bus service to DIA at the Airport Blvd. & 40th Ave. park-n-Ride and with a number of other bus routes serving the metro area at the Stapleton Transfer Station and the Montbello park-n-Ride.
